Subject: RE: Apparatus Enquiry for: 43 – 44 Gillender Street, E14 6RN
Attachments: Gillender Street.pdf; 1. Special Requirements new.pdf

CAUTION: This email originated from outside of RPS.

Please accept this email as confirmation that Vodafone: Fixed does have apparatus within the vicinity of your proposed works detailed below.

Please see attached network information.

Many thanks

Plant Enquiries Team

This response is made only in respect to electronic communications apparatus forming part of the Vodafone Limited electronic communications network formerly being part of the electronic communications networks of Cable & Wireless UK (now re-named Vodafone Enterprise UK), Energis Communications Limited, Thus Group Holdings Limited and Your Communications Limited.

ATKINS working on behalf of Vodafone: Fixed

PLEASE NOTE:

The information given is indicative only. No warranty is made as to its accuracy. This information must not be solely relied upon in the event of excavation or other works carried out in the vicinity of Vodafone plant. No liability of any kind whatsoever is accepted by Vodafone, its servants, or agents, for any error or omission in respect of information contained on this information. The actual position of underground services must be verified and established on site before any mechanical plant is used. Authorities and contractors will be held liable for the full cost of repairs to Vodafone's apparatus and all claims made against them by Third parties as a result of any interference or damage.

IMPORTANT - PLEASE READ = Your Next Step?:-

Where apparatus is affected and requires diversion, please send all the scheme related proposals that affects the Vodafone Network to c3requests@vodafone.com with a request for a 'C3 Budget Estimate'. Please ensure you include a plan showing proposed works. (A location plan is insufficient for Vodafone to provide a costing). These estimates will be provided by Vodafone directly, normally within 20 working days from receipt of your request. Please include proof of this C2 response when requesting a C3 (using the 'forward' option). Diversionary works may be necessary if the existing line of the highway/railway or its levels are altered.

Please consider the environment before printing this e-mail

Subject: Apparatus Enquiry for: 43 – 44 Gillender Street, E14 6RN

Good Morning,

Please find attached details of a site located at Leaside Business Centre, 43 – 44 Gillender Street, E14 6RN

NGR: TQ 38189 81897 X (E) 538189, Y (N) 181897.

The proposed development comprises the redevelopment of the existing business centre to provide a mixed-use scheme comprising 22 residential units and circa 500 m2 commercial space.

I have attached the site location plan to this email.

Please can you confirm whether you hold any plant/ apparatus within the site, if so please send plans of any plant belonging to your company to this address, quoting our reference number RCEF72635.

Please include the entire area shown within the red boundary as presented in the attached drawings.

If your company has no plant present within this area please supply written confirmation, declaring that no plant is affected.

Thank you, do not hesitate to contact me with any questions.

Kind Regards

Naomi
